

**“Your Cargo,  
Our Priority”**

# About us

At Nexus exports and shipping, we empathize with the significance of your consignment and its timely and safe transportation. With two decades of experience in providing bespoke logistics solutions, our team of seasoned professionals is committed to ensuring that your cargo is conveyed with proficiency and security from origin to destination. Whether it's via air, sea or land, we possess the expertise to adeptly manage all facets of your freight forwarding requirements. We take pride in our unparalleled customer service and our ability to effectively navigate even the most intricate logistics predicaments. Our state-of-the-art technology enables us to furnish real-time tracking and updates, thereby granting you the serenity of mind. Rest assured, we are fully licensed and insured, and our strict adherence to customs regulations guarantees the smooth clearance of your shipment. Allow us to alleviate the stress of transporting your consignment, and trust us to provide the empathetic support you deserve."

# Mission

Our mission is to provide exceptional logistics solutions that are tailored to the unique needs of our clients, while maintaining the highest standards of trust, integrity, and efficiency. We are dedicated to fostering long-term relationships with our clients, partners, and suppliers, through the consistent delivery of superior services and the relentless pursuit of excellence.

Our organization aspires to be recognized as the epitome of excellence in the freight forwarding industry, through the provision of unparalleled services that consistently surpass the expectations of our valued clients. We envision ourselves as a beacon of innovation, efficiency, and reliability in the logistics sphere, setting the standard for others to follow.

# Vision

# OCEAN FREIGHT

Our company specializes in providing comprehensive sea freight logistics solutions. Our sea freight service encompasses a wide range of offerings including the arrangement of cargo space on ships, handling of customs clearance procedures, and provision of necessary documentation and paperwork. Additionally, we also offer ancillary services such as cargo insurance and warehousing to ensure the safe and efficient movement of your freight. We understand that every client has unique logistics requirements and we take pride in delivering bespoke solutions that cater to the specific needs of each of our clients. Our team of experts, with their extensive industry knowledge and experience, are committed to delivering unparalleled, personalized service and streamlined processes. With a global network of reputable partners, we are able to offer competitive rates and versatile shipping options. Trust us to take care of all the intricacies of your sea freight logistics needs, from the point of origin to final delivery.

# ROAD FREIGHT

Our dedicated Global Inland team consists of logistics experts, specialized by region and industry. Around the globe, we offer a vast network of inland terminals and depots and the right equipment for your cargo - ready to get the job done for you. Our area experts know every road, every railway and every chance to move your cargo from sea ports inland and vice versa - safely and on time. We always find the right route, in the right time for you and your cargo.

Real Solutions,  
Real Fast!

## CUSTOM CLEARANCE

Our compliance with all customs regulations and our extensive network of contacts in the customs brokerage industry, enables us to facilitate the smooth clearance of your shipment. Our expertise in this domain ensures that your consignment clears customs in a timely manner, without any delays

## AIR FREIGHT

Nexus exports and shipping offers air freight services that optimize your supply chain. Our experts handle all aspects of air transportation, from cargo consolidation and booking to customs clearance and delivery. We offer cost-efficient options through cargo consolidation, and prioritize your shipment with our booking services. Our knowledge of customs regulations and network in the industry ensures smooth clearance. Our technology allows for real-time tracking and updates, and our distribution network ensures timely delivery. All services provided with empathy and care, fully licensed and insured.
